Wellness tourism is travel for the purpose of promoting health and well-being through physical, psychological, or spiritual activities. While wellness tourism is often correlated with medical tourism because health interests motivate the traveler, wellness tourists are proactive in seeking to improve or maintain health and quality of life, often focusing on prevention, while medical tourists ...

### **Wellness Program - Alameda County**

Workplace wellness is any workplace health promotion activity or organizational policy designed to support healthy behavior in the workplace and to improve health outcomes. Known as 'corporate wellbeing' outside the US, workplace wellness often comprises activities such as health education, medical screenings, weight management programs, on-site fitness programs or facilities.
