Human rights are moral principles or norms that describe certain standards of human behaviour and are regularly protected as natural and legal rights in municipal and international law. They are commonly understood as inalienable, fundamental rights "to which a person is inherently entitled simply because she or he is a human being" and which are "inherent in all human beings", regardless of ...

Media and Elections. The media are essential to democracy, and a democratic election is impossible without media. A free and fair election is not only about the freedom to vote and the knowledge of how to cast a vote, but also about a participatory process where voters engage in public debate and have adequate information about parties, policies, candidates and the election process itself in ...

Hollywood trailers for the currently-screening I Am Michael movie declare itâ€™s the true story of a gay activist who became an ex-gay evangelical pastor, but in real life the man the movie is based on said he is not ex-gay nor an evangelical pastor. He legally changed his last name and moved back to San Francisco, the gay capital where he used to publish sexy pre-twink teen magazines.
