

american economic history jonathan pdf

The economic history of the United States is about characteristics of and important developments in the U.S. economy from colonial times to the present. The emphasis is on economic performance and how it was affected by new technologies, especially those that improved productivity, which is the main cause of economic growth. Also covered are the change of size in economic sectors and the ...

Economic history of the United States - Wikipedia

African-American history is the part of American history that looks at the African-Americans or Black Americans in the United States.. Although previously marginalized, African-American history has gained ground in school and university curriculum and gained wider scholarly attention since the late 20th century. The black history that pre-dates the slave trade is rarely taught in schools and is ...

American Economic Association

Over the past two years, state legislators across the country have launched an unprecedented series of initiatives aimed at lowering labor standards, weakening unions, and eroding workplace protections for both union and non-union workers. This policy agenda undercuts the ability of low- and middle-wage workers, both union and non-union, to earn a decent wage.

The Legislative Attack on American Wages and Labor

The American Documents for the Study of History AMDOCS is maintained by an unfunded group of volunteers dedicated to providing quality materials for free public access, and was founded in 1993.

Documents for the Study of American History: US History

Geoff Mangum's Guide to Native American History & Culture. Prehistory, Contact to the End of the Indian Wars, and Modern Days. This webpage features North America before the Europeans, and during the ensuing four centuries (1500-1900) of European dispossession of the native populations by violence and deceit, euphemistically termed "the clash of cultures", and with modern information on tribes ...
