

**an educational encyclopedia of pdf**

Educational inequality is the unequal distribution of academic resources, including but not limited to; school funding, qualified and experienced teachers, books, and technologies to socially excluded communities. These communities tend to be historically disadvantaged and oppressed. More times than not, individuals belonging to these marginalized groups are also denied access to the schools ...

The Special Educational Needs and Disability Act 2001 (c. 10), also known as SENDA, is an Act of the Parliament of the United Kingdom. It is intended as an adjunct to the Disability Discrimination Act 1995, which legislated to prevent the unfair treatment of individuals, in the provision of goods and services, unless justification could be proved. This legislation was deemed necessary as the ...
