common sense understandings. This approach conceptualizes populism as a mode of political practiceâ€”as populist mobilization. Its utility is demonstrated through an application to mid-twentieth-century Latin American politics. The article concludes by sketching an agenda for future research on populist mobilization in Latin America and beyond.

Populist Mobilization: A New Theoretical Approach to Populism*

â€”The second approach was a little fast and one wing high but we got on the runway.â€”â€”The approach and landing were uneventful and the crew and aircraft were recovered safely.â€”â€”Landing with one failed engine is very unforgiving; you have to get it right on the first approach.â€”

en Their first act was to cut to pieces a cohort, which had been sent on in advance by Sextilius Felix; soon afterwards, however, on the approach of the Roman generals at the head of their army, they returned to their

duty by an act of honourable desertion, and the Triboci, Vangiones, and Caeracates, followed their example.

Approach in Latin - English-Latin Dictionary - Glosbe

Dependency theory is the notion that resources flow from a "periphery" of poor and underdeveloped states to a "core" of wealthy states, enriching the latter at the expense of the former. It is a central contention of dependency theory that poor states are impoverished and rich ones enriched by the way poor states are integrated into the "world system".

Dependency theory - Wikipedia

This study offers an initial approach to the problems posed by the concentration of land ownership in Latin America, referring specifically to the recent processes in Mexico, Central America, and the Andean countries. To that end, a double perspective has been adopted: the twin trends produced by the economy and politics throughout the conti-
