Inductive Bible study is learning how to exegete (draw out), as in extracting the information what a text is actually saying in an objective and in a systematic way. We can do this with the Bible for all its worth with our best efforts. We do this through giving people tools and skills to help observe the text, dig out the meaning, and then apply it to their lives.

The incremental learning derives its name from the incremental nature of the learning process. In incremental learning, all facets of knowledge receive a regular treatment, and there is a regular inflow of new knowledge

that builds upon the past knowledge.
