A checklist for organising and running a workshop for teachers By the "January Trainers"™! the "time on task"™ which many teachers think is the final one. It isn't™, of course: if the task is not a very learning-rich one, then time on task could result in very little learning. And then you get into discussing what "learning time"™ really is.

for a marathon or ultra, it is a run that is longer than a marathon " usually 27 miles. I personally don't™ believe it's™ necessary to run this long to run a good marathon. The injury risk is higher and the endurance benefits reach a point of diminishing returns. But it works for some people and can be beneficial for ultramarathoners.
