The vast majority of people just do guess and check. That sucks and there should be something better. We all want some black-box optimization strategy like Bayesian optimization to be useful, but in my experience, if you don't set its hyperparameters to the right values it doesn't work as well as an expert doing guess and check.

Apocalyptic Literature is one of the most difficult Biblical genres to study but, rightly understood, is often the most exciting! Faced with panoramic visions of outlandish scenes we can sometimes struggle to handle this material well, so the Women in Ministry Conference 2019 will be focused entirely on this daunting genre.
