Chapter 3 Verbal Communication. In my junior year of college, I took a course in semantics, which focused on verbal language and solidified my interest in language. I love learning about the history of words, learning new words, and seeing how language changes over time and from one context to the next.

Nonverbal communication represents two-thirds of all communications. [dubious " discuss] Nonverbal communication can portray a message both vocally and with the correct body signals or gestures. Body signals comprise physical features, conscious and unconscious gestures and signals, and the mediation of personal space. The wrong message can also be established if the body language conveyed ...

In anthropology, High-context culture and low-context culture is a measure of how explicit the messages exchanged in a culture are, and how important the context is in communication. These concepts were first introduced by the anthropologist Edward T. Hall in his 1976 book Beyond Culture. According to Hall, in a low-context culture, the message will be interpreted through just the words ...
