Case Study Abstract. The focus of this case study is the supply chain of the world's largest retailer, Wal-Mart. Wal-Mart in recent years has struggled with its supply chain. The big question is: Will Wal-Mart be able to revive the competitive advantage it had in the past with its efficient supply chain? This case discusses the supply chain management practices of Wal-Mart over the years.

Mission. Supply-Chain Management (SCM), techniques with the aim of coordinating all parts of SC from supplying raw materials to delivering and/or resumption of products, tries to minimize total costs with respect to existing conflicts among the chain partners. An example of these conflicts is the interrelation between the sale department desiring to have higher inventory levels to fulfill ...

## **THE PATH FORWARD IN THE HUMANITARIAN SECTOR**

The agricultural value chain concept has been used since the beginning of the millennium, primarily by those working in agricultural development in developing countries. Although there is no universally accepted definition of the term, it normally refers to the whole range of goods and services necessary for an agricultural product to move from the farm to the final customer or consumer.
