The Survivors History Group was founded in April 2005 to value and celebrate the contribution that mental health service users/survivors have made and are making to history. It is working towards a comprehensive history on this site and in a book. It will also preserve historical material in digital form on this site, and in printed and other forms.

**Mental Health and Survivors Movements - Andrew Roberts**

This is an incomplete list, which may never be able to satisfy certain standards for completeness. Revisions and additions are welcome.
