NEC3 Books and Contracts 2014.pdf | Building Information

It explains how the contract is intended to operate and examines each clause to consider its application and
legal interpretation. It draws upon the authors successful book on the second edition of the Engineering and
Construction Contract, ECC2, and it identifies and comments on the changes between ECC2 and NEC3.

Free the nec engineering and construction contract PDF

Description : Launched in 1993, the NEC Engineering and Construction Contract has become one of the UK's
leading standard forms of contract for major construction and civil engineering projects. The third edition,
popularly known as NEC3, is a process based contract embodying project and commercial management best
practice, so its basic philosophy differs from the more adversarial approach of other standard construction
contracts.
