This book is simply amazing! I hadn't know of Paul Freeman's work until just recently and now I am a huge fan. This is male photography at its best! The men are natural, not posed-looking and don't necessarily look like "models." They are not clean-shaven and all of the same size.

### **Amazon.com: Heroics (9780980667523): Paul Freeman: Books**

Like all the Paul Freeman books, this is beautiful and well-produced, The models are macho and good looking and the use of props and costumes to the nudes makes for a certain piquancy, Not pornographic but definitely erotic.

I have been self publishing for many years, nurturing a book project from the creative production, the photography, post production and design, through to printing , shipping and distribution to book stores, and to you directly. As I have mentioned above, the first book is at the printers, and nearly ready to ship.
