Practical Phonetics And Phonology: A Resource Book For

Routledge English language introductions. Although this third edition has several additional features, many corrections and much revision, nevertheless the overall structure of the book remains the same.

Collins B. Mees I. Practical Phonetics and Phonology [PDF

"Students often ask me for books about phonetics and phonology, and Practical Phonetics and Phonology is the first that I recommend. It is an excellent combination of theory and practice, with abundant resources and practice material both written and spoken, covering a large number of English accents and including outlines of some major languages.
