### **Home - Real Science-4-Kids**

Real Science 4 Kids Are you using another curriculum alongside the eScience program? This match-up sheet will help you really bring the scientific principles from your textbook to life and show you which experiments and activities work best with the chapter you are on.

### **Curriculum Conversion Chart for Real Science 4 Kids**

Our science curriculum programs are kindergarten through 8th grade covering chemistry, biology, physics, astronomy, and geology.

### **Samples - Real Science-4-Kids**

Real Science-4-Kids Focus On Middle School (formerly Level 1) covers the basics of chemistry, biology, and physics; the three courses together provide a full year of science for kids in grades 5-8. Real Science-4-Kids Focus On High School (formerly Level 2) was created for students in grades 9-12.

### **Real Science 4 Kids Curriculum - Home Science Tools**

Real Science-4-Kids is an award-winning science curriculum that has helped children unlock their inner Einstein for over 10 years. Real Science-4-Kids was developed with the idea that real science is about working on the edge of what we do know to discover what we don't know.

### **Recommended Science Curriculum: Real Science-4-Kids**

Real Science-4-Kids was created by Dr. Rebecca Keller in response to a need she discovered while home educating her own children. Because of her strong background in science (Ph.D. in biophysical chemistry and former research assistant professor), Dr. Keller wanted science curriculum with solid content that children would enjoy.

### **Real Science-4-Kids - Cathy Duffy**

The Real Science-4-Kids curriculum includes a lot of fun experiments for kids! I will say, though (just as a warning) that some of them take a lot of pre planning and supplies to acquire, especially the Biology portion.

### **4th Grade Homeschool Science- Real Science-4-Kids Review**

Real Science 4 Kids Reviews: Real Science 4 Kids is a worldview-neutral curriculum that focuses on real science and gives your kids the tools to evaluate both philosophical and religious perspectives. It was designed by a homeschool mom, Dr. Rebecca Keller, who has a PhD in Biophysical Chemistry.

Lesson Plans using Real Science 4 Kids Curriculum-Elementary & Middle. August 9, 2015 | Posted by Sandra. This document contains lesson plans for Chemistry using Real Science 4 Kids books. One set of lesson plans are for the Elementary books and the other set for the Middle School books. Each set contains 10 chapters.

### **Lesson Plans using Real Science 4 Kids Curriculum**

The popular Real Science 4 Kids biology course has been adapted as Focus on Elementary Biology for grades K-4, giving kids an overview of important concepts in a way that is understandable even for science beginners.

### **Real Science 4 Kids Biology | Elementary Science Curriculum**

In short, Real Science 4 Kids is an attractive product with labs geared toward the homeschool lab. It's expensive and won't span too many years of science education, and it tends to focus on vocabulary acquisition rather than deep understanding.

### **Review: Real Science 4 Kids - Secular Homeschool**

Enter Real Science 4 Kids physics for middle school I've had a problem with homeschool science textbooks. They've either been way too difficult for the age range they're geared for (unless your kid is a super science kid) OR they've been too easy for the upper ages it's for.
