What is a worldview? The two concepts "philosophy" and "worldview" are closely related. Talking about "a philosophy" in its broadest sense refers in fact to a worldview. It is the case for example when we speak about the philosophy of the Inuit or the Maya. Wolters⁶ summarized the relationships between worldview and philosophy.

What is a worldview? - University of Southampton

worldview is as a way of looking at the world. Your worldview is like the eyeglasses through which you view and interpret your experiences. Other phrases that capture the idea are "mental grid," "frame of reference," and "shared perceptions of what is real, true, and good." A worldview seeks to answer the Big
