Red Rum (bay gelding; 3 May 1965 – 18 October 1995) was a champion Thoroughbred steeplechaser. He achieved an unmatched historic treble when he won the Grand National in 1973, 1974 and 1977, and also came second in the two intervening years, 1975 and 1976. The Grand National is a notoriously difficult race that has been described as "the ultimate test of a horse's courage".

Horse racing is an equestrian performance sport, typically involving two or more horses ridden by jockeys (or sometimes driven without riders) over a set distance for competition. It is one of the most ancient of all sports, as its basic premise – to identify which of two or more horses is the fastest over a set course or distance – has been unchanged since at least classical antiquity.
