Renovation (also called remodeling) is the process of improving a broken, damaged, or outdated structure. Renovations are typically either commercial or residential. [citation needed] Additionally, renovation can refer to making something new, or bringing something back to life and can apply in social contexts. For example, a community can be renovated if it is strengthened and revived.

Manufactured home HUD tags and data plates are confusing. Add the VIN and serial number and HUD number and it gets even more frustrating. For example, manufactured home HUD tags and data plates are confusing because a plate is not a plate and a tag really isn't a tag, A data plate is a simple sheet of paper. Granted, that simple piece of paper has a lot of important information on it.
