comfort living Rheem Thermostats Features & Benefits Rheem offers a complete line of comfort controls designed to operate any Rheem equipment. As a critical component to any home comfort system, a Rheem thermostat is designed to provide precise control right at your fingertips.

### **Rheem | 300 Series Deluxe Programmable Thermostats**

400 Series thermostats: Most major HVAC brands make a modulating (aka variable-capacity) gas furnace, but only Rheem and Ruud make a thermostat designed specifically to support these furnaces. The advantage is optimized efficiency and superior dehumidifying in humid summer weather and humidifying in winter when a humidifier is part of the system.
