Bondage is a very useful tool that a Master should learn. It is not necessary to learn the complicated and time-consuming Japanese rope bondage techniques to do a competent job of restricting your slave. Japanese rope bondage often takes hours because it is a process of building on layer after layer of ropes.

5/16-3/8 inch (8mm) is a good size for general rope bondage and larger builds, and is sometimes seen in Japanese Rope Bondage photographs. While just as secure as 1/4 inch, it is more comfortable for the captive, and tends to be easier for the Top to work with. This size rope is my recommendation when one or both partners are just starting

occultic power never appealed to me. On the other hand, I have always been disposed to believe what the Bible says about the spiritual world even when it conflicts with accepted opinion. As a result, over 15 years ago the Lord began to direct me to Christians like Nancy who were in bondage to various forms of satanism

and the occult.
