The Chinese zodiac is a classification scheme that assigns an animal and its reputed attributes to each year in a repeating 12-year cycle. The 12-year cycle is an approximation to the 11.85-year orbital period of Jupiter, the largest planet of the Solar System. It and its variations remain popular in many Asian countries including China, Japan, South Korea, Vietnam, Mongolia, Cambodia, Laos ...

Dramatic literature, the texts of plays that can be read, as distinct from being seen and heard in performance.. The term dramatic literature implies a contradiction in that literature originally meant something written and drama meant something performed. Most of the problems, and much of the interest, in the study of dramatic literature stem from this contradiction.
