A better attempt to understand Mafia has been made by economic papers. For example, Bandera 2000 constructs a model to study the influence of the land reform following the abrogation of feudalism. Using a menu-auction model, he empirically tests if the demand for Mafia protection increases with a higher division of land.

Why Did the Mafia Emerge in Italy? An institutional answer.

The vanguard of this criminal juggernaut is still led by the Mafia's most potent and largest borgatas: New York's Five Families. 2. The Real Lucky Luciano. For the first twenty-five years of his career, Lucky Luciano was a vicious mobster who became the king of the New York underworld. For the next twenty-five, he was a fake, his reputation ...
